FENIX ERGONOMIC CHAIR

The sleek and ergonomically designed Fenix ergonomic chair is not only designed for superior comfort, but it's built to last. This mesh back ergonomic chair has an optional adjustable headrest, multi-adjustable armrests and a synchronous mechanism lockable in 4 positions. To accommodate taller people, the Fenix has an integrated seat-slider to allow you to adjust the seat depth for ultimate support. This is a high performance chair that offers versatility, durability and 5-Star ergonomic comfort. The Fenix has a 10 year warranty and a weight rating of 150kg.
